All warranty breakdown work is free of charge for any faults covered under the manufacturers warranty period. We will only undertake warranty work upon the receipt of this signed form. If any faults are found which are not covered under the manufacturer's warranty then charges will apply and these charges vary from one manufacturer to another

Acceptance of Terms

By signing below, you are confirming that you authorise WV Howe to invoice you with any chargeable repairs completed if the call is not covered by the manufacturers warranty. Failure to complete or agree to these terms will result in the service call being rejected
